Park-Specific Provisions
2006 - 2007

(Revised: February 2006)

The following specific provisions (in addition to all conditions and provisions provided in Attachments A and B), are applicable to those commercial activities and areas authorized in your *Commercial Use Authorization*:

1. *Commercial Use Authorization Holder* shall ensure that each of its employees receives training in and reviews a copy of this *Authorization* including all conditions and stipulations including the attached compendium.
2. *Commercial Use Authorization Holder* shall provide written certification to the NPS (upon request) that each employee received training in and reviewed a copy of this *Authorization* including all conditions and stipulations including the attached compendium.
3. *Commercial Use Authorization Holder* and its employees shall comply with the attached compendium which is incorporated as a part of this *Authorization*.
4. Excluding Brooks Camp Developed Area, any commercial trip will be limited to a group size of 15 persons including *Holder's* employees.
5. Use of Public-Use Cabins in support of commercial activities is prohibited. Fure's cabin is the only designated Public Use Cabin in Katmai. Nonvianuk, Amalik and Swikshak structures in Katmai and *Aniakchak Bay* Cabin in Aniakchak are for park administrative use only.
6. Standing dead wood, leaning dead wood or any wood associated with historic structures or historic features *or those cabins identified in #5 above* may not be collected. The use of chainsaws is prohibited within Katmai National Park, Aniakchak National Monument and the Alagnak Wild River.
7. *All fuel caches must have prior written approval from the Superintendent. A written request must include the exact location of the proposed fuel cache including a map and GPS*

coordinates (if available) AND the reason for the cache. If approved, all fuel caches must be removed from the park on or before November 15.

8. No personal or business property of any kind may be stored or left unattended for more than 48 hours without written permission from the superintendent.
9. Landing, taking off or taxiing within 100 yards of visible bears, moose or caribou is not permitted.
10. Radio frequency 122.9 will be utilized to announce intentions for landing and takeoff.
11. Watercraft must be legibly marked with the trade or service-marked logo or name of the *Authorization* on the outside of the boat.
12. Cleaning and depositing fish parts at Big River is not permitted.
13. The establishment of a campsite, camping or staging a campsite without clients physically in camp is limited to one day prior to arrival of clients and one day after departure of clients. Camping is authorized for 14 consecutive days in one location. Camping is prohibited after 14 consecutive days in one location unless the camp is moved at least 2 miles or unless authorized by the Superintendent.
14. *Any discharge of bear spray or signal flares (or any other device or substance intended to frighten and/or repel wildlife) in response to an encounter with a bear or any other wildlife must be reported to the Katmai Chief Ranger within 72 hours of the incident.*

BROOKS CAMP

15. Immediately after arrival at Brooks Camp Developed Area, the *Commercial Use Authorization Holder* is required to ensure all clients proceed to the park's visitor center for an NPS-approved Bear Orientation.
16. Aircraft must maintain an elevation of at least 1000 feet above ground level at all times except during take-off and landings.
17. All surface operations are limited to idle taxi maneuvers within 200 yards of Brooks Camp beach on Naknek Lake. Step taxi operations and the initiation of take-off activity within this zone are not permitted.
18. Power-on, negative pitch beaching operations of turbine powered craft are prohibited.
19. Loading or unloading passengers or cargo from aircraft must be done only when engine or engines are completely shut down. "Hot loading" or "hot unloading" of passengers or cargo is prohibited.
20. *Other than during the loading or unloading of passengers or cargo, aircraft or watercraft may not be parked in the following areas:*
 - a) *On Naknek Lake between the mouth of the Brooks River and the NPS flagpole.*
 - b) *On Brooks Lake within 60 feet either side of the cleared ramp area adjacent to the picnic tables.*

21. A maximum of two campsites at the campground at Brooks Camp per night are available to be reserved by *Commercial Use Authorization Holders*. Once two sites have been reserved by *Holders*, no additional *Holder* reservations will be accepted for that night(s). Subject to the two campsite limitation, *Commercial Use Authorization Holders* may reserve the campground sites under the same terms and conditions as the public. Sites are not set aside for *Holder* reservation and consequently may not be available if otherwise reserved by the public. *Commercial Use Authorization Holders* must identify themselves as *Katmai commercial operators* when making reservations. Except as provided above, the campground at Brooks Camp will not be used for, or in support of, commercial activities.

SUSPENSION, RESTRICTION, REVOCATION and DENIAL POLICY

22. This *Authorization* may be suspended, restricted or revoked in accordance with the NPS Alaska Regional Policy Number 700-001. A violation is defined as:

- a) Entering a plea of guilty or no contest or being found guilty of violating a state or federal law or regulation where a link exists between the offense and the business activity authorized by the *Authorization* regardless of whether the violation occurred in a unit of the National Park System;
- b) Failure to comply with state or federal law or regulation where a link exists between the offense and the business activity authorized by the *Authorization* regardless of whether the violation occurred in a unit of the National Park System and regardless of whether a court enters a finding of guilt;
- c) Violation of 18 U.S.C. 1001, providing false information to any agency or department of the United States;
- d) Failure to comply with a federal or state health or safety code or regulation when conducting activities authorized by the *Commercial Use Authorization*;
- e) Failure to comply with the provisions and conditions of the *Commercial Use Authorization*.
